Subject: Cima Weekly Update

Doug,

Here is my report for this week.

This Week (4/20/15 – 4/24/15)

Ash Pond and Landfill Closures – Attended weekly update conference call for Possum Point ash pond closures/modifications. Provided technical input and direction as required. Attended internal 30% design review meetings for Bremono and Chesterfield to discuss technical comments with Stations and PM's. Provided additional historical CEC Ash Pond/Landfill information to Christine Harris for the City of Chesapeake. Redacted

Redacted

Redacted Has preliminary discussions with DCR Dam Safety staff regarding their treatment of closed ash ponds. Tentatively set up meeting with DCR at Innsbrook for May 7th at 2:00 p.m. – date to be verified.

Bath County Part 12 Inspection – Prepared for PFMA discussions on Thursday 4/23. Travel p.m. 4/22 to Bath and at Bath 4/23 for PFMA discussions.

Next Week (4/27/15 – 5/1/15).

Ash Pond and Landfill Closures – Attend weekly update meetings for Bremono, Clover, Mt Storm and Possum Point projects and provide input and review as required. Additional review of CCR rule structural integrity requirements and discuss with DES.

Roanoke Rapids FEM and Instrumentation Review – Transfer all instrumentation files from personal secure drive to shared drive geotechnical folders so Mike W. can do 1st quarter instrumentation review and plot update.

Have a good weekend!

John
